

# P.R.O. Box 3V

## For the Service Professional

With P.R.O. Box 3, you can make pump seal replacing as easy as 1-2-3 and A-B-C. No more trying to figure out which pump seal is needed, just three different heads and seats is all you need to make most pump seal replacements.

P.R.O. Box 3 Viton® contains 30 Viton® seal assemblies with parts to spare and it fits into a 14" by 11" carrying case with easy cross-reference with over 40 pump applications printed on the cover.

Aladdin PSR® Viton® seals are built to outlast the competition: made with Buna elastomers, a carbon primary ring, polished ceramic seat and all stainless steel hardware.

PSR® Seals offer

- Special carbon faces, with great dry run resistance;
- High resistance to heat up to 150°C and chemicals;
- Less noise and friction, saving energy of your pump;
- Enhanced protection from ozone generators and salt chlorine generators;
